New Age Doctrine

- The New World Order, in efforts to erase the image of God from His own creation, has caused the modern day female to downplay motherhood. The very purpose of the woman is now among the least of her life's goals.
- Free sex, promiscuity, and abortion have led to the degrading of motherhood and caused it to be looked upon by many as a curse instead of a blessing. Our President once said "If my daughter makes a mistake, I don't want her punished with a baby". These words are the sentiment of our society. Children are considered punishment and consequences to the woman instead of gifts from God. But this is due to the fact that the role of the woman has been forgotten! ***Psa. 127:3 Lo, children are an heritage of the LORD: and the fruit of the womb is his reward.***
- Women today, from a very young age have goals preset for them by their parents and others to be financially successful, independent, and strong leaders in society.
- They are taught that their beauty should be exploited, and that they should challenge the roles of men and strive to achieve all that men are capable of achieving.

Eden 2013

- Eve in the garden, was approached by Satan first because the enemy wanted to reverse the roles of men and women in the earth. He wanted the woman enlightened first, and wanted her to use her beauty and influence to take authority over the man. ***1Tim. 2:14 And Adam was not deceived, but the woman being deceived was in the transgression.***
- God put things back in order after the man ate. ***Gen. 3:16and thy desire shall be to thy husband, and he shall rule over thee.*** The enemy continues to defy this order in our homes, churches, and society. Even our current president was advised,

mentored, and raised by women only. This influence causes men to be weak and the woman to be strong. ***1Cor. 11:3 But I would have you know, that the head of every man is Christ; and the head of the woman is the man; and the head of Christ is God.***

- Every TV show and Movie portrays the man as weak and the woman as the sensible, strong one. The woman always makes the best decisions and the man always blows it.
- This makes way for the LGBT agenda. But more importantly, it causes women to forget their true purpose in this life. To be a help meet for the man and to bear children for God. ***Gen. 2:18 And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him.***

Sound doctrine

- A woman who's goal is to be a good wife and mother, is forgotten by our society. They are looked upon as lazy, insignificant, and second class citizens. They are told, even by their parents, that they are underachievers.
- A woman that desires for a man to take care of her while she raises her family and cares for her husband is said to be naive and weak even though she is

trusting in God's order. She is told that she must prepare for the man to leave her with her kids. She is told to focus on plan B because plan A might fail. But if you plan for B, you are in no position to even receive plan A! ***James 1:6 But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the sea driven with the wind and tossed. For let not that man think that he shall receive any thing of the Lord. A double minded man is unstable in all his ways.***

- The older women of our society have been brained washed by dysfunction and do not encourage the younger women to be wives and mothers. ***Titus 2:1 They push the NWO agenda in the next generation because they themselves have issues from their upbringing.***
- There are very few parents that are pushing God's plan for the women. Even in the church, the woman is assuming the role of the man and birthing dysfunction in the house of God. ***1Tim. 2:12 But I suffer not a woman to teach, nor to usurp authority over the man, but to be in silence. For Adam was first formed, then Eve.***

A Godly Mother

- A Godly Mother puts her own needs second to her husband and children because she receives validation when she knows they are cared for.
- A Godly Mother stands up to society and fights for the sanctity of her home! She defends her role and doesn't allow anyone to interfere.
- A Godly Mother keeps a good home, and knows that her physical beauty is reflected in how tidy and neat her residence is kept.
- A Godly Mother trusts God that no matter how the enemy tries to upset her home, God will ultimately fight on her side if she continues to follow His plan.
- A Godly Mother surrounds her life with Godly people. She doesn't allow antagonists and contrary opinions to come into her home or speak into her life. She keeps her home and mind sober.
- A Godly Mother allows her husband to cover her beauty and validate her appearance. She doesn't seek the worlds approval for her physical appearance but she seeks to be pleasing to the eyes and heart of her husband.
- A Godly Mother makes her home her life! Even if she works outside of the home, her affection is inside of the home.

- A Godly Mother teaches sound doctrine to her daughters and other women. No matter what kind of dysfunction she has experienced in her life, her advice is based on sound doctrine and the absolute word of God.

Summary - Desiring to be a wife and mother has become a character flaw in our society. The devil has updated his plan in the garden to 2013 and it's being shared abroad through our media, government, and sadly, our homes. Parents have bought into this without even knowing it. The move of God is now about feeling, emotions, and personal desires but sound doctrine has been eliminated from most of our churches because of the NWO. We must get back to teaching our daughters sound doctrine. We must promote what God promotes and shun what God shuns. And we must never push our children in a direction that God has not intended but we must keep our daughter in position to be wives and mothers so we can increase our numbers and influence in this wicked world. Without people we have no influence and without influence we cannot change anything.

Titus 2:3 The aged women likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of good things; That they may teach the young women to be sober, to love their husbands, to love their children, To be discreet, chaste, keepers at home, good, obedient to their own husbands, that the word of God be not blasphemed.
